Project Details

You will get a professionally composed, recorded and mixed music production. With over 10 years of experience in Music Composition and Audio Engineering, complemented by a strong academic background, I will deliver a product that will satisfy your needs and enhance the overall quality of your own project.

Each of my compositions is carefully crafted in my professional, acoustically treated studio, ensuring the overall sound quality and tonal balance, so that the resulting music translates adequately to a multitude of listening environments and is suitable for commercial distribution.

Genre

Cinematic, Orchestral, Soundtrack, Classical, Other.

Purpose

Film & Video, Advertising, Videogame, Podcast, Other.
